

## NVQ Costs

### CSCS – Construction Skills Certification Scheme

#### **Level 2 NVQ and CSCS Cards through OSAT (On Site Assessment & Training)**

##### Train to Gain Candidates

COST

If the candidates are eligible and full funding is available through Train to Gain there will be no cost for the NVQ to the company.

£FOC

In some cases there may be an administration charge but this will be discussed on an individual basis with each company.

£TBA

##### Other funded candidates

There are other funding routes available for candidates not eligible for Train to Gain. The cost to the company for these candidates will be discussed on an individual basis with each company:

£TBA

##### Non funded candidates

If there is no funding available for candidate the cost to the company will be:  
*(Figure quoted is negotiable depending on numbers)*

£1200-00

#### **Level 3 Occupational Work Supervision, Construction Site Supervision and Level 4 Construction Site Management NVQ and CSCS Cards through OSAT (On Site Assessment & Training)**

Costs for level 3 and above would have to be discussed with the candidate and the company before commencing. There is normally a contribution requirement from the company or individual.

### CPCS – Construction Plant Competence Scheme

Costs for Plant items, Slinger Signaller, Lifting Supervisor would have to be discussed and agreed on an individual basis because there are various routes to gain the achievement. £TBA

If you would like HSC to contact you to discuss OSAT, (On Site Assessment Training), the CSCS / CPCS card scheme and available sources of funding without any obligation please contact our St Neots office on **01480 358890** or visit our website [www.hsc-ltd.co.uk](http://www.hsc-ltd.co.uk)
